This is another late edition of the *Capers*. Sorry, but Hawaii and the IRS intervened, and April started two weeks later than the calendar for me.

This late issue does allow me to present some musings on "Roll Down the River," our Fly-In at Fifes in Guerneville last weekend.

* The fly-in organizers were very gratified by the attendance. Ninety-some people from all over the U.S. and Canada stayed at Fifes, and several others came to town to attend our events. Michael and I especially noticed that there were a lot of Diablo Dancers in attendance.

* Michael and I arrived late Friday afternoon, danced our feet off to the calling of Johnny Preston and Dave Stevens, and then proceeded to get drunk with Mama Jo Bradley at the Rainbow Cattle Company.

* Saturday morning arrived too early, but I did make a couple of the morning workshop tips before brunch at Fifes. Michael complained all day about the lack of sun.

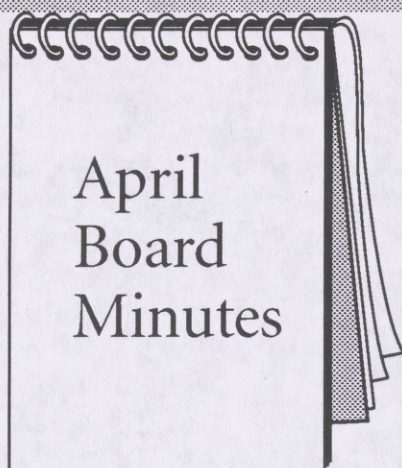

* A big Thank You to Andy Shore (and Bashful) for filling in for the dentally indisposed Dave Stevens Saturday night.

* The Pajama Tip was hilarious. Michael and I watched the goose bumps from the warmth of our leathers before another relaxing evening (and early morning) at the Rainbow Cattle Company.

* The lasagna dinner put on by Fifes was quite good! But forget the blackberry/sugar pie!

* The sun came out again on Sunday, so Michael had at least one day in the sun by the pool. In fact, we stayed in the sun so long that we were the last to leave (closely behind Rick and George) at 4:30 P.M.

* In all, it was a very successful fly-in, and even we old farts had fun!

April 6, 1994

Members present were Kas, Evan, Russ, James, Michael, Bill, Rick, Heidi, and yes, of course, George [Thanks—George]

1st Topic—BMI/ASCAP (Last chance dance on this): Kas reported that he had spoken with Robin, who agreed to sign up for "Callerlab member." The treasurer will need to cut a check to cover the cost. James inquired about joining both Callerlab and the Clogging organization, both of which cover BMI/ASCAP (see last month's minutes), but on reviewing this, it was decided it was not necessary. Other clubs in the IAGSDC have not contacted CCS on this issue

2nd Topic—Summer Dancing: George reported that the Club is going to pursue teaching Plus in the Summer. Jefferson School is not available in the Summer, but American Lakes School is. Starting the 19th of July (we had looked at starting the 12th but the school is closed.) A "glitch" to be worked out is the fact that the challenge group has also elected to continue through the Summer. Jeff B. is checking into additional space at that school and possible alternate locations. (Note here that while there will be a location switch with

the Summer, the Board decided that it is in the best interest of the Plus Class to begin on June 7th at Jefferson School following a three week "just dancin'" period after graduation (see final Topic). Discussion was held concerning charging for the Summer Class (the club has not charged for Summer dancing). George gave a short discourse on the club's financial status; Kas expressed concern about depleting funds over the Summer. James suggested that the club let it go ("free" dancing) this Summer and review costs for next year. Kris (Plus Class Instructor) had previously agreed to teach the class for the Summer. Discussion continued into when to begin the '95 Plus Class; consensus was to table that for now, though there was mention of May/June '95.

3rd Topic—Elections: Kas mentioned the upcoming elections (third Tuesday in April). There will be two positions open. All interested are encouraged to toss their name into the ring!

4th Topic—Fly-In/Retreat Dangles: James presented four color schemes for this year's Fifes dangle. The Board chose one and James has placed the order.

5th Topic—Fly-In/Retreat Shirts: Dennis has ordered the shirts based on the color scheme previously decided (dark green on light green). About twenty shirts were ordered on Class night, but a total of fifty shirts were ordered, about half the number attending Fifes. More can be ordered later if needed.

6th Topic—Fifes Cake: George will contact the Safeway in Guerneville about making the cake (for ease of transport and lessening of headache). If they cannot do it, he will

contact the Guerneville Gay & Lesbian Business Alliance about other bakeries. (Kas said he could transport a cake if we have to get it made here.)

7th Topic—Lambda Freedom Fair: George reported on registration for this year's Fair, to be held at Capitol Park on June 11. CCS is again planning on having a booth there for information and advanced registration for next Fall's class. (We will be asking for volunteers to work the booth and the crowd—

8th Topic—Spring Dances: George returned the forms to Smythe School for the April 28 Dance. The school was unsure about fees, so could not give the OK right then. [Note: the school called me on Friday, 4/8, to confirm that we have the school, copy in the mail. There is a fee involved—George] This dance is on a Thursday night, but will be lots of fun; support it!! May 14: Yellowrock theme. This dance will be held at William Land School. Discussion was held about decoration ideas, a committee to follow up, but the main idea is along the “goldrush” lines. June 11: This dance will be held in conjunction with the Lambda Freedom Fair at William Land School.

9th Topic—Men’s Chorus Concert: George asked about the next Chorus concert(s) to possibly put an ad in the program. The next concert is Fifes weekend, too close to put in an ad in the program. We need to check on deadlines for other dates.

10th Topic—Bylaws: Russ reported on bylaws structure update and membership “dues” versus “fees.” Discussion was held concerning voting policies for the Club and whether the new class rep to the Board ought to have voting privileges. Pros and cons were discussed as well as the reasoning behind the “associate” versus “full” member levels. The consensus was that this needs further research before a decision can be made, but the bylaws may need a bit of rewriting (again!)

11th Topic—Equipment: The speaker tripod was purchased along with an adapter rack for the speakers and two needles for the turntable for \$211.71 (including tax and shipping). Robin had spoken with James about obtaining a larger, newer record case as that in current use is too small. George checked the cost of a new case (\$140) although the one illustrated does not look larger than the one we have. This will be researched further.

12th Topic—Treasury Report: George stated that the club has \$7362.24 in the account, of which \$3757.80 is specific to the Fly-In. It was noted that not all Fly-In money has been received and that these numbers are approximate. (See the financial statement for the first quarter '94, elsewhere in this edition...)

13th Topic—Memberships: George reported that fifty-one forms were received, of which thirty-two are renewals and nineteen are new members. Based on this, George is sending a check for \$51.00 to the IAGSDC (dues are \$1 per member per club) by week’s end. [note: check sent 4/8/94—George]

14th Topic—Club Bio/Logo: James will submit the Club bio to “Stars and Squares Forever” the '94 Convention in DC. This led to a discussion about putting an ad into the Convention program (\$60 for business card size and \$125 for a quarter page) as a show of support and to say “thanks.” Discussion ensued as to whether we can afford this and which size. The decision was to go with quarter page; James and Russ will put the ad together.

15th Topic—Graduation Night: James reported on graduation night for the new class. Bill mentioned

that last year’s “ceremony” was very effective and fun. The date for this was discussed, with the consensus being to have it on Tuesday, May 10, subject to Robin’s and Kris’ input and approval

Next Board Meeting: Wednesday, April 27, at Bill/Michael/Heidi’s.

Respectfully submitted by

☞ RIPPY (Rick)

Need a New Badge?

If you are in need of a new Club name-badge, please see James Ozanich as soon as possible to place your order. A new badge will cost you \$6.50. The Club will be ordering badges for our Main-stream graduates, so now is the time to get a new one if you have lost, damaged, or defaced your old one.

Summer Dancing

The Board has decided on a tentative schedule of summer dancing. We will continue to dance at the Jefferson School until June 14. On June 21 we will dance at American Lakes School. There will be no dancing on June 28, July 5, or July 12. Dancing will resume on July 19 at American Lakes School. The time for dancing will be 6:30 to 9:00 P.M.

Following the above schedule will be the new Plus Class, which starts June 7.

Treasury Report

First Quarter, 1994

The following is, I hope, a fairly accurate account of CCS Finances for the first quarter 1994:

Income

Dues:	\$	723.00
Annual		870.00
Fly-In		7000.00
Dances		900.00
50/50		118.00
Other		71.50
Total Income	\$	9682.50

Expenses:

Hall Rental	\$	3630.00
Newsletter		304.09
Fliers		44.33
Postage		114.35
Telephone		11.21
Badges/dangles		13.33
Charitable		66.48
Decorations		133.15
Retreat Refund		230.00
Equipment		545.48
Callers		600.00
Miscellaneous		5.00
Total Expenses	\$	5697.42

Net Worth \$ 3985.08

Note that the "annual" reflects only 29 people. This is due to the fact that several people paid in '93, and a few others made "in kind" donations of postage or other.

The rentals include first night's rent at Fifes, the G'ville Vet's Hall, and the May & June '94 dances. The equipment costs include renting the two platforms for the callers at Fifes.

Still to pay are the rest of Fifes (second night, callers, Saturday meal, dangles, and unknown other.)

Still to collect are a few final payments for Fifes participants and miscellaneous back-dues.

Chain Down The Northeast "Chain On Down, Hon! Circle Fares"

Amtrak Fare Order X-531-531.

Amtrak is offering a special circle fare with unlimited stop-over privileges for those people who plan to attend all or most of the Chain Down dances as well as the convention. This fare is for those people who are beginning their tour in any one of the "Chain Down the Northeast" cities, attending the convention in DC, and then returning to the city from which they started.

For this round-trip circle fare, beginning and ending in the same "Chain Down" city of your choice, (Hartford, New York, Philadelphia, Baltimore, Washington, DC), with stop overs at any or all of the participating cities, including DC, the round trip fare is \$110, not including Hartford. Extending to Hartford will add \$15, making the total \$125.

The Hartford club may hold their dance near New Haven on a commuter rail line and thus it may not be available to Amtrak patrons. This will require an additional fare on that commuter line. If they hold their dance in an Amtrak city, there will be a stop over in that city with the circle fare of \$125.

The availability of the "Chain on Down, Hon! Circle Fares" gives one the option of flying round trip to any of the "Chain Down" cities, to attend any or all of the "Chain Down the Northeast" and Convention events.

Alternate stations may be used with the "Chain on Down, Hon! Circle Fares" Some of these are:
For New York - Newark - Metro Park. For Baltimore - Baltimore Washington International Airport.
For Washington - New Carleton - Alexandria.

The circle fare is valid June 20 through July 7, no blackouts. This is a regular coach ticket on unreserved trains only. Not good on Metroliner. Club and sleeper cars are available for full accommodation charges. Ticketing of entire itinerary must be completed before start of travel (in other words, you must specify in which cities you wish to stop when buying the ticket). For information on ticketing, ask your travel agent or Amtrak agent for Fare Order X531-531.

You may be planning to take Amtrak to attend the Chain Down Events and the Convention, and are traveling through or from New York to Washington, DC, but do not intend to use Amtrak for your return trip, after the convention. If so, you should purchase a regular one-way Amtrak full-fare ticket and ask for stop-over privileges in those cities in which you wish to stop. (Any Amtrak full-fare, one-way ticket has unlimited stop-over privileges at any of the stops along the route.) A one-way unreserved coach ticket from New York to Washington DC is \$68. Once again, specify the cities you wish to stop in when purchasing your ticket. One-way full-fare Metroliner tickets from New York to DC are \$96. However, with Metroliner tickets, you must make reservations in advance. You will not need to use the circle fares. Do not use a Fare Order number, this is a regular fare.

The fares mentioned above have nothing to do with the special round-trip excursion fares to DC mentioned in your convention update that are subject to a 10 percent discount. The circle fares do not use the same Fare Order number as the 10 percent discount tickets.

This notice was prepared by Russ Cashdollar. (410) 244-0953
